MOUNTAIN GLEN'S STORY

Designed by the legendary George Cobb, Mountain Glen is one of the premier public courses in western North Carolina. Nestled just outside the quiet town of Newland, summer temperatures rarely rise above 80 degrees. These ideal summer conditions allow Mountain Glens bent grass greens to flourish. With Championship tees reaching 6500 yards Mountain Glen can be fun and challenging for all skill levels. Having hosted hundreds of regional and national tournaments, Mountain Glen is truly a hidden gem.
